The above set is wanting in the first edit. published either in 1667 or 1668, the 3rd reprinted from the 2nd in 1669, and the 7th for 1673. No 11th and 13th edit. are known, and the omission is probably due to a printer's error in the title-pages of the volumes for 1679 and 1682, which should be described as the 11th and 12th edit. respectively. The 21st and 22nd edit. were compiled by the author's son John Chamberlayne; the former has an elegant binding, and bears the monogram A.R. (Anna Regina) surmounted by the royal crown.

CHAMBERLAYNE (John), F.R.S.

The first volume (for 1708) is called by a printer's error the 22nd instead of the 23rd edit.; a similar mistake occurs in the issue of 1729 which is called the 29th instead of the 30th, but the mistake is corrected in the following volume which is described as the 31st edit.
